One Candle Lights The Way

SOLO: One candle in the night, shining so true and bright.
Still a pure and brilliant sight, one candle lights the way.

This joyous time of year, season of love and cheer,
See the flame burn strong and clear, one candle lights the way.

One hope, one dream, one world, one theme.
One flame, one light, for peace throughout the night.

One dawn of peace and love, sun shining from above,
Soar on wings just like a dove; one candle lights the way.

One candle in the night, shining so true and bright,
All our hearts fill with delight for all the world's at peace tonight.
Still a pure and brilliant sight, one candle lights the way.
One candle lights the way.
