

Born To Shop!

Each Christmas season I can't wait to shop, shop, shop!

I'm on my feet all day until I drop, drop, drop.

I like to peek in ev'ry little shop, shop, shop.

But when my money's gone, I have to stop, stop, stop!

I was born to shop, shop, shop! Shop until you drop, drop, drop.

Oh, I was born to shop, shop, shop! Shop until you drop, drop, drop.

While you are singin' "Deck the hall," I will be swingin' through the mall.

Shop, shop, shop. Oh, shop until you drop, drop, drop!

I was born to shop, shop, shop! Shop until you drop, drop, drop.

Oh, I was born to shop, shop, shop! Shop until you drop, drop, drop.

Deck the mall with all my money, ones and fives and tens and twenties, too.

I'm so broke it isn't funny. One more little gift, and then I'm through.

While you put lights in your front yard.

I'm maxing out my credit card.

Shop, shop, shop. Oh, shop until you drop, drop, drop!

I was born to shop, shop, shop! Shop until you drop, drop, drop.

Oh, I was born to shop, shop, shop! Shop until you drop, drop, drop.

I was born to shop! Shop until you drop!
