

## **Joy to the World**

Joy to the World, my shopping's done, with just an hour to spare!  
There's perfume for my mother, a necktie for my father.  
Didn't think I had a prayer. Didn't think I had a prayer.  
Didn't think I could finish with an hour to spare!

Joy to the World, my shopping's done, with just a dime to spare!  
A bathrobe for my brother, a bracelet for my sister.  
Didn't think I had a prayer. Didn't think I had a prayer.  
Didn't think I could finish with a dime to spare!

Joy to the world, my shopping's done!
