

Hit The Beach

Come on ev'rybody listen to a rock and roll beat.
Time to get going and jump out of your seat. Come on!
Gonna take a few vacation days,
Gonna head to a spot, gonna catch some rays
Goin' straight for the sun and hit the beach today.

Whoa whoa whoa whoa whoa whoa hit the beach, we're gonna hit the beach.
Whoa whoa whoa whoa whoa whoa hit the beach, we're gonna hit the beach.
Come on ev'rybody join the caravan,
Gonna head to the sand, gonna work on my tan.
We'll ride a wave when we hit the beach today.

From Malibu to Coney out in Ohio.
From over in Hawaii or down in Mexico. Ole!
We'll load the wagon, our boards on top,
And drive to a place where the fun won't stop.
Goin' straight for the sun and hit the beach today.

Whoa whoa whoa whoa whoa whoa hit the beach, we're gonna hit the beach.
Whoa whoa whoa whoa whoa whoa hit the beach, we're gonna hit the beach.
Come on ev'rybody join the caravan,
Gonna head to the sand, gonna work on my tan.
We'll ride a wave when we hit the beach today. Let's go!

(dance)

Come on ev'rybody join the caravan,
Gonna head to the sand, gonna work on my tan.
We'll ride a wave when we hit the beach
We'll misbehave when we hit the beach,
We'll ride a wave when we hit the beach today.
Today! Surf's up!
