

Ease On Down The Road

Come on and ease on down, ease on down, ease on down the road
Come on ease on down, ease on down the road.
Don't you carry nothin' that might be a load
Come on ease on down, ease on down the road.

Pick your left foot up when the right one's down
Come on legs, keep movin', don't you lose no ground
'Cause the road you're walkin' might be long sometime
But just keep on steppin', and you'll be just fine!

Come on and ease on down, ease on down the road
Come on ease on down, ease on down the road.
Don't you carry nothin' that might be a load
Come on ease on down, ease on down the road.

***Ease, ease down the road, Ease, ease down the road
Don't you carry nothin' no heavy load, Ease, ease down the road
Pick your left foot up, put your right one down
'Cause the road you're walkin' might be long sometime
Just you stick with, and you'll be just fine!
Ease, ease down the road, Ease, ease down the road
Don't you carry nothin', no heavy load. Ease, ease down the road***
